

# Petzl VERTEX VENT helmet

Art.no: 8.86.328.21

## Description

- Very comfortable:
  - six-point textile suspension conforms perfectly to the shape of the head
  - CENTERFIT feature allows perfect centering of the helmet on the head, thanks to its two side adjustment wheels
  - FLIP&FIT system allows the headband to be positioned in a low position, guaranteeing that the helmet fits securely on the head. The system folds into the shell for easy storage and transportation
  - comes with interchangeable standard comfort foam
- Protection designed for work at height and on the ground:
  - DUAL chinstrap allows the worker to adjust chinstrap strength in order to adapt the helmet to different environments: work at height (EN 12492) or on the ground (EN 397). The clip has two positions, corresponding to these two uses: high strength, limiting the risk of losing the helmet during a fall, and low strength, limiting the risk of strangulation if the helmet is snagged while the user is on the ground
  - shock absorption achieved through deformation of the outer shell
  - vent holes with sliding shutters allow the ventilation to be adjusted as needed, while wearing the helmet
- Modular accessories:
  - eye shield with EASYCLIP side attachment system for easy installation
  - Petzl headlamp with mounts, or headlamp with elastic headband
  - helmet protector keeps the shell free from soiling and paint splash
  - nape protector provides effective sun and rain protection for the nape of the neck
  - nametag holder allows user to be easily identified
  - changeable chinstrap and foam
  - hearing protection
  - available in seven colors: white, yellow, red, black, orange, blue and green
  - also comes in two high-visibility versions: yellow and orange

## Specifications

- Head circumference: 53-63 cm
- Weight: 490 g
- Material(s): ABS (acrylonitrile butadiene styrene), nylon, polycarbonate, high-strength polyester, polyethylene
- Certification(s): CE, EN 397, EN 12492, ANSI Z89.1 Type I Class C, EAC
